In addition to the bedroom and bathroom arrangements, each cabin has a living room with fireplace, a verandah, and A dock on the lake.

Portable cribs and rollaway cots are available, but must be requested in advance.

(H) or (D) indicates a hide-a-bed or daybed in the living room.

Cabins 9, 10 & 28 become housekeeping cabins during the off-season only. Each cabin is insulated and electrically heated. They contain a kitchen with full size refrigerator and stove, plus utensils and dishes. All summer cabins are equipped with kettle, dishes, and silverware.
