In addition to the bedroom and bathroom arrangements, each cabin has a living room with fireplace, a verandah, and a dock on the lake.

Portable cribs and rollaway cots are available, but must be requested in advance. Hide-a-Bed or Daybed are all in the living room.

All summer cabins are equipped with kettle, dishes, and silverware.

Buckshaw, Doeshaw, and Lakeside become housekeeping cabins during the low season only. Each cabin is insulated and electrically heated and each contains a kitchen with full size refrigerator and stove, plus utensils and dishes.

All summer cabins are equipped with kettle, dishes, and silverware.
